

# Fundraising Progress

---

## Summary

---

This block is an advanced version of the Fundraising Progress block. It gives you the ability to show or hide totals raised, goals and progress for both the entire group and group members. You also have the option to add an Export to Excel button.

## What's New

---

---

The following new goodness will be added to your Rock install with this plugin:

- **New Block:** KFS Fundraising Progress

## Configuration

---

---

### Fundraising Progress Block

This block is designed to replace the core block on the Group Fundraising page. You will want to add it to the page Group Viewer > Fundraising.
